

INTENT

- ⬆ To provide support and guidance around the wider, long-term, sustainable provision of PE in schools
- ⬆ We can support the PE Lead in building capacity, improving capability and adding value to your offering

IMPLEMENTATION

Guidance and practical support around the Sport Premium funding, the 5 key indicators and publishing the reporting statement.

Support can involve (but isn't restricted to):

- ⬆ **Providing ways to engage all pupils** - including targeted, varied and broader activities
- ⬆ **Developing initiatives to raise the profile of PE** - including sports leadership training and innovative ways to celebrate success
- ⬆ **Increasing the skills, confidence and knowledge of all staff** - delivery of twilight training sessions, peer coaching, Ofsted deep dive preparation, mapping skill progression, Assessment in PE and curriculum documentation
- ⬆ **Broadening experiences for pupils** - through tournaments and in-school competitions as well as links with our top class sports facility!

IMPACT

- ⬆ A sustainable and progressive PE offering that benefits existing pupils and also those joining the school in years to come
- ⬆ Meeting the requirements of the Sport Premium Funding, Ofsted, DfE guidance and school governance

HOW?

Our tailored service can be purchased in a variety of ways - whether you'd like one hour, a half term block or a whole year of support (equivalent to one hour per week) please email Caroline@apex-academy.co.uk for an informal chat and further details.

WHY US?

Caroline has been a qualified PE teacher for over 15 years. She started her career in Secondary schools, firstly working in an area of socio-economic deprivation before becoming Director of Sport in a top regional private school. More recently, she's supported the organisation and delivery of PE in Primary Schools, and has experience in whole school teaching and learning approaches as well as mentoring graduate and early career teachers.
